

## Figure Drawing Study Sessions

### ***Key Stages 4 and 5***

***2.5 hour facilitated sessions (available 7th February and 17th April 2018)***

This workshop explores poses from works of art in the permanent collection and gives students the opportunity to make their own drawings from a live clothed model. Students will be given the opportunity to use a variety of materials as they improve their drawing and observational skills. This session is particularly suitable for gifted and talented students. Further Education students are also welcome.

### **Learning outcomes**

Your students will:

- Evaluate and analyse creative works using the language of art, craft and design
- Produce creative work, exploring their ideas and recording their experiences
- Know about great artists, and understand the historical and cultural development of their art forms
- Become proficient in drawing techniques
- Use discussion in order to learn
